

ROYAL REDEEMER LUTHERAN SCHOOL

PRESCHOOL SUPPLY LIST

2020-2021 School Year

Dear Preschool and Early Education Families,

We appreciate your partnership in this upcoming school year and are excited to see everyone soon. As we hold the wellbeing and safety of each student as a top priority, we are taking many additional precautions and preparing for adjustments through this unprecedented time.

Regarding the 2020-21 Supply List, we are requesting a few additional items this year, to assist us in sanitizing and reducing the spread of germs. In addition, we are asking for children to each have their own individual set of labeled school supplies, instead of sharing materials, like we have done in the past. This will require each student to have a personal pencil box or case, to store their own set of markers, crayons, and even glue. As the year progresses, Royal Redeemer will then assist in keeping these supplies stocked. For example, if they run out of liquid glue, we can refill their bottle—or if they break their red crayon, we will have new ones on hand to replace it. You can find your child's class and age group listed on the next few pages to find out more. Please note that requirements and guidelines are fluid, and these lists are subject to change.

If you have any additional questions or concerns, please feel free to contact me at azacharias@royred.org. Thank you for your continued support and partnership in growing and nurturing Christ's children!

Avery Zacharias
Early Education and Preschool Director
